SEDRA BAIAN

COMPUTER SCIENCE JUNIOR | DATA ANALYTICS | PROCESS IMPROVEMENT

Seattle, WA | 206-966-3127 | sedrabayan2@gmail.com

Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Computer Science junior and Microsoft Certified Power BI Data Analyst with hands-on experience using Python, SQL, R, Tableau, and relational databases to analyze performance, identify trends, and support process improvement. Builds KPI dashboards and data applications with real-world datasets and communicates actionable findings clearly across diverse teams.

EDUCATION

Seattle Pacific University | Seattle, WA

Bachelor of Science in Computer Science | Minor in Business Administration | Expected May 2028
Relevant Coursework: Database Systems Design, Data Visualization, Web Programming, Data Structures, Statistics

CERTIFICATIONS

Microsoft Certified: Power BI Data Analyst Associate (PL-300), September 2026 | FEMA IS-100.C, IS-200.C, and IS-700.B, October 2026

TECHNICAL SKILLS

Analytics: Power BI, Tableau, Python, R, Excel, Statistical Analysis, Data Cleaning, KPI Dashboards
Programming & Databases: SQL, MySQL, Java, HTML, CSS, Relational Database Design, BCNF Normalization
Process & Communication: KPI Tracking, Trend Analysis, Workflow Design, Performance Reporting, Technical Documentation

TECHNICAL PROJECTS

EventBridge Campus Event & Venue Booking System | SQL, MySQL
- Co-developed a seven-table BCNF database with keys, validation constraints, approval workflows, and sample data.
- Created SQL reports for booking reviews, attendance rates, equipment coverage, and venue utilization.

Electricity Access KPI Dashboard | Tableau, Public Data
- Built an interactive dashboard comparing global electricity-access trends, regional disparities, and progress.
- Transformed public data into stakeholder-ready KPIs, filters, and visual trend summaries.

Amazon Product Reviews Analysis | Python, Pandas, Matplotlib, Seaborn
- Cleaned and analyzed a public Amazon reviews dataset to identify rating patterns and product-level trends.
- Created visualizations and a reproducible notebook that communicated findings and documented limitations.

PROFESSIONAL EXPERIENCE

Sales Associate | Victoria's Secret | June 2026-Present
- Assist customers, manage transactions and concerns, maintain inventory and displays, and support team sales goals.

Retail Sales Consultant | AT&T | 2024-2025
- Recommended wireless and internet plans based on customer needs and budgets.
- Troubleshot internet, device, billing, and account issues while explaining solutions clearly.
